Festival of Tall Ships.

As most know, the Festival of Tall Ships was a very successful event. The Auxiliary received special accommodation from the Commanding Officer of the Eagle for professional assistance rendered. There were auxiliarists from all across our District who participated and performed in a manner that gave considerable stature to the Auxiliary in the eyes of the public and the CG. Lead Auxiliarists were Rick Saber (FC-12), Auxiliary Operations Officer for the Festival and Diana Serchia (SO-PA), Auxiliary Public Affairs Officer for the Festival. Rick has sent a personal letter to all Auxiliarists who participated thanking them for a job well done.

Bertholf Commissioning.

Many of our members participated in this successful event on August 4. Of particular note were Nick Tarlson and Richard Celia who were leaders in coordinating our activities in this event.

TCT Training.

At the end of July, 21 members of Division One participated in an 8 hour TCT class conducted by the USCG Training Department.

Members are busy with vessel exams, public education classes and other regular activities.

Please note that I will be returning to San Francisco on August 16 and will resume my active role. We have a Division meeting at the end of this month where we will review upcoming meetings for elections and COWs to ensure adequate plans are in place for these events.

Respectfully submitted,

Robert W. Hendry, DCP-1
